WORK EXPERIENCES

GRAPHIC DESIGNER

The Breakers Palm Beach | Palm Beach, Florida | June 2015 – Present

- Design eye-catching and effective graphics that reinforce luxury, brand identity and support marketing objectives across the hotel and its various business areas, including retail, spa, golf & tennis, recreation, events, workplace communications, and club membership.
- Produce a wide range of branded print and digital materials such as signs, rack cards, brochures, menus, guest amenities, event invitations, corporate reports, and informational materials for guests, members, and team members.
- Ensure strict adherence to brand guidelines, overseeing typography, color usage, logo placement, and visual style across all deliverables.
- Work extensively with Pantone color matching, vendor print templates, and professional print specifications, carefully considering paper types, finishes, and color accuracy.
- Execute in-house production by printing, trimming, and finishing rack cards, signs, flyers, and other materials using professional printing and finishing equipment.
- Support brand development through logo creation, identity packages, and the application of cohesive visual standards.
- Capture photography for internal use and edit/retouch images for product visuals, team member activities, and construction progress documentation.

SOCIAL MEDIA & INTERNET MARKETING ACCOUNT COORDINATOR

Blackstone Media Group | Fort Lauderdale, Florida | January 2015 – May 2015

- Led social media strategy, content planning, scheduling, and engagement across multiple platforms.
- Managed social media accounts, producing cohesive, on-brand content to build engagement and visibility across platforms.
- Created, coded, and managed email marketing campaigns, optimizing layout, deliverability, and visual appeal.
- Provided continuous web and graphic design support, contributing design, layout, and website maintenance

WORK EXPERIENCES

WEB & GRAPHIC DESIGNER

Blackstone Media Group | Fort Lauderdale, Florida | March 2012 – January 2015

- Designed front-end website layouts, wireframes, and mockups, delivering finalized assets to developers for production while maintaining backend content and updates after launch.
- Produced custom digital assets and user-friendly web experiences tailored to small businesses, often serving as their first line of marketing support as they established their brand presence.
- Developed custom digital assets and user-friendly web experiences tailored to small businesses, often serving as their first line of marketing support as they established their brand presence.

WEB & GRAPHIC ASSISTANT | INTERNSHIP

Blackstone Media Group | Fort Lauderdale, Florida | January 2012 – March 2012

- Assisted the senior design team in creating simple web pages and communicating interface designs to developers.
- Gained hands-on experience with WordPress, including website updates and maintaining the company blog.
- Supported the Good News newspaper with the production through layout work, photoshopping covers, and preparing visual content.

GRAPHIC DESIGN ASSISTANT | INTERNSHIP

IAMI Pro AV Distribution | Fort Lauderdale, Florida | April 2010 – June 2010

- Performed high-volume product cutouts and image isolations in Photoshop with precision and consistency.
- Prepared clean, production-ready image files for use in catalogs, marketing materials, and web listings.
